OLBA

The Spring Meeting will take place on Saturday April 19th in Newmarket. I will be there talking about sponsorship and a way to raise money which is not quite the same thing. Please ensure your club is represented at the meeting as we will be giving out a lot of useful information....Chris

If you have a deserving member, recognise them with an OLBA Certificate. Contact Arja Nesbitt for information.

Officiating: Domestic play in Ontario

OLBA has approved a motion to the effect that Ontario is reverting to the old Law that "In all ends subsequent to the first, the Winner of the preceding end will place the mat and throw first".

Ontario will only conform to Law 18.4 as noted in "Laws of the Sport of Bowls, Crystal Mark Edition, 2 at Canadian Championships and International Events.

Club News

District 13 will initiate a league to promote competitive play between the district clubs. At this point, men and women will be participating in separate leagues although the format will be exactly the same. Each team will consist of 3 members playing triples, pairs and singles. For further information contact John Ferguson at 705-726-8564 or email: joian1963@rogers.com.

Newmarket LBC is sad to report that we lost a long serving member. Irv Naylor was a skip, a volunteer and a friend to most of the members. He met a beautiful woman and they were married. He raised a family and I believe did his best for them. When he took up lawn bowling he was not content to watch. Instead he jumped in and helped out. Greens maintenance, cleaning, whatever needed doing Irv was part of it. I can't remember a time when Irv was not trying to make things better for our club and the people who knew him appreciated his efforts. Irv left behind family and friends but he will be missed most by his dear wife Dorothy.

0320 Ingersoll: Due to the unexpected passing of Peter Kestle, please eliminate Peter Kestle and Doug Gifford as tournament contacts and instead contact Marie Lenart at 519-485-1483 or by email at mlenart@rogers.com.

Thank you.
