Membership

Overview

Important Deadlines

May 15:	**Final** Remittance due at Spring Meeting or by May 15 to receive the stickers which will be required to enter the District Playdowns. (A post dated cheque to June 15 will be accepted.)
August 15:	**Final** Membership updates due
August 31:	**Final** Remittance of additional affiliation fees if membership greater than previous year
August 31:	**Final** request for credit of affiliation fees if membership is lower than previous year **(credit applied to invoice the following year)**
November 1:	**Final** Submission of changes to Club Executive

INVOICES
Invoices will be sent out by email in late March. Bring your club cheque to the Spring Meeting (can be postdated to June 15) to receive your affiliation stickers. If you can't attend the Spring Meeting, arrange to have your District Rep take your envelope to the district meeting. **If a club hasn't paid, their members are not allowed to enter district playdowns.**

STICKERS
Stickers will show the district number. **Members can only have one sticker in the district in which they choose to participate in District Playdowns.**

UPDATE CLUB MEMBERSHIP
Soon after registration, and before August 15, send the membership update by e-mail if possible. Please use the registration number whenever possible. Finalize the club membership in August. **Clubs that do not send their final membership update before the deadline will not be considered for OLBA membership awards.**

SOCIAL MEMBERSHIP ($5 per person)
For people who don't go on the greens but need to be covered with liability insurance. **Please note that failure to register these individuals leaves the club & directors liable for any mishap that occurs while they are on the property.** Send a list of social members with your club update.

NEW MEMBER CARDS
Clubs will make cards for new members and people who have lost their card. After the club update, add registration number and year joined in brackets example: **841234 (2016)**.

RECONCILE MEMBERSHIP NUMBERS
If you have more members than you paid for, remit OLBA affiliation fees for the additional members ***no later than August 31.***

CREDIT REQUEST: ***August 31*** **- Final** request for credit of affiliation fees if membership is lower than previous year **(credit applied to invoice the following year). No credit allowed after August 31.**

CLUB EXECUTIVE UPDATE: Send **changes to your executive** by e-mail or mail before ***November 1.*** This information is needed to update the database and will be used for club mailings, e-Bulletin distribution and in preparation of the OLBA Annual. Please check your club information in the annual and posted on the www.olba.ca web site. **OLBA membership awards** will be presented at the fall meeting based on the reports from the database.

Membership Recruitment Assistance for OLBA Clubs

Recruiting methods that have long term success and the potential to bring larger numbers of people into your club.

- Rock and Bowl Program: a league for curlers at your bowling club
- Lawn Bowling Demonstrations: how to find the right venue for your demonstration; how to use a draw for a prize and trial memberships to gather contact information; how to pull these people into your club and finally how to get them to join as regular members.
- Trial Memberships: as part of a draw, an offer to a specific group or as part of a larger promotion.
- Lawn Bowling Benefit Communication Contest: Encourages people to think frequently about the benefits of lawn bowling activities. learn from other members about how these activities are beneficial to them.; discover ideas as to how to communicate the benefits of the sport to potential new bowlers/
- Making 5 to 10 minutes speeches: find out which organizations members of your club belong to; arrange for an opportunity to speak at their next meeting for 5 to 10 minutes about the benefits of lawn bowling activities; invite the audience to come to your next Open House.

An important part of this plan is that the OLBA provides ongoing assistance with your club's plan throughout the year:

- Having problems designing an advertisement?
- Need a short mat for lawn bowing demonstration?
- Not enough volunteers to run a demonstration?
- Need coaches to handle a large group of lawn bowlers at one time?

OLAB will help by: (a) researching the area where the club is located; (b) help tailor a plan to a club's specific situation; (c) sendi written material to a club needing help; and (d) arranging a meeting with club reps or a group of clubs in the same area. Contact:

OLBA MEMORIAL FUND

The OLBA Memorial Fund was established to support the organization's programs aimed at promoting the sport of lawn bowls and ensuring its long-term viability in Ontario.

Based on available resources, the Fund supports activities in such areas as:

- Increasing public interest in lawn bowls;
- Marketing, member recruitment and member retention at the club level;
- Raising the skill level of lawn bowlers (e.g. player development camps);
- Development of programs for youth and continuing growth of existing programs for junior bowlers;
- Development of bowls programs for persons with disabilities;
- Technical support for improvements in the maintenance and development of greens.

The Fund does not directly provide facilities or equipment to individuals, clubs or organizations.

Contributions are used, for example:

- to organize seminars, workshops and development camps for players, coaches and umpires;
- to improve the capacity of clubs to recruit and retain members, develop new programs and sustain existing ones;
- to support clubs in efforts to establish and/or to maintain greens that, at the least, meet minimum standards in Ontario;
- to promote greater participation in championships at the District level (leading to Provincial championships and possible participation in National championships);
- to support new initiatives – e.g. intra-provincial match-play events – that contribute to player development and higher skill levels among bowlers.

How To Contribute

Personal or business cheques, travellers cheques and bank drafts are all acceptable. In addition to direct gifts, the programs benefiting from the Memorial Fund can be supported through instructions to an estate executor to remit contributions to the OLBA Memorial Fund or by a direct bequest in a will.

A simple form for contributions to the Memorial Fund can be downloaded from the OLBA website (www.olba.ca). Contributions should be mailed to the OLBA treasurer (contact information is available in the current year's Annual).

Safety and Risk Management

General Guidance

WHAT IS RISK MANAGEMENT?

- **Identifying Risks:** What are the possible things that can go wrong?
- **Measuring Risks:** How likely is it things will go wrong, and what are the consequences if they do go wrong?
- **Controlling Risks:** What can be done to keep things from going wrong, or if things do go wrong, to minimize the resulting harm?
- **Registration:** All club members, no matter their status, must be registered with the OLBA and all club members must have a signed insurance waiver on file at their club.
- **Risk Management Officer:** All clubs, in addition to their regular officers, should have a Risk Management Officer to ensure that risk management policies are put in place, kept in place and followed.

CLUB FACILITIES

1. Design and follow a regular maintenance, repair and replacement program for your facilities and equipment.

- Ensure that clubs are kept neat and tidy be removing boxes and other material that is in areas where members and participants will be walking through.

- Install rubber mats or paint wooden decks with paint containing sand where members will be walking in order to eliminate falls during wet conditions.

- Any uneven steps or steps down to greens should be painted with bright yellow or fluorescent paint so that they will be very visible.

- When bowling, once you put your bowls on the green make sure that bowl bags or any other material that you have brought with you is put well clear of the bowling green so that members/participants won't fall over them.

- Rakes are often cumbersome and can be dangerous. Make sure that they are removed from the green entirely once leads have gathered the bowls after an end is completed.

- Designate two people who will be responsible for setting out all equipment prior to bowling.

2. Enforce the use of prescribed safety and protective equipment at all times.

- Ensure that the electrical wiring in your club kitchen is up to provincial standards and that all electrical equipment is safe (i.e. cords for kettles are not frayed and your stove is in proper working condition, etc.) All club kitchens should have a provincially approved and working fire extinguisher installed in them.

PERSONAL, MEMBERS and VOLUNTEER PROTECTION

- Ensure that there is a fully stocked first aid kit in your club house to handle minor emergencies.
- If possible, one or two members should take a First Aid course.
- In order to avoid confusion, designate two people to handle all emergencies – provide first aid as required, phone 911, etc.
- Ensure that there is telephone service available at all times when members/participants are at the club in case of emergencies (club telephone or cell phone).
- No member should be on the greens or at the club alone.
- Your greens keeper should always use protective attire when caring for the greens and grounds.
- Rules and warning signs should be placed in prominent places in your facility.
- All new board members, committee members and volunteers should be provided with orientation materials.
- Ensure that your club coaches are certified and up to date on all safety procedures.

WEATHER

Lawn Bowling should be an enjoyable and safe activity for all, participants, volunteers and spectators. If at all possible, when it is too hot, cancel the activity and reschedule it. If there is a storm, halt the event until it has passed and play can resume. It is expected that club risk management officers and members will use common sense under these conditions and others.

FOOD PREPARATION

Follow approved food preparation and alcohol management practices at all events.

REMEMBER

If it was constructed, it can break – fix it!
If it moves, it will collide with something!
If it's alive and under ten years old or over ten years old,
it will be curious and adventurous!
It is the responsibility of all club members to ensure
that a safe environment is available to all.

Anatomy of a First Aid Kit

To be prepared for emergencies, keep a first aid kit at your lawn bowling club. First aid kits can be purchased through your local Canadian Red Cross and local drug stores may sell them. You may decide to stock your own kit.

Check the kit regularly. Check expiration dates and replace any used or out-of-date contents. The Red Cross recommends that all first aid kits include the following:

- 2 absorbent compress dressings (5 x 9 inches)
- 25 adhesive bandages (assorted sizes)
- 1 adhesive cloth tape (10 yards x 1 inch)
- 5 antibiotic ointment packets (approximately 1 gram)
- 5 antiseptic wipe packets
- 2 packets of aspirin (81 mg each)
- 1 blanket (space blanket)
- 1 breathing barrier (with one-way valve)
- 1 instant cold compress
- 2 pair of non-latex gloves
- 2 hydrocortisone ointment packets (approximately 1 gm each)
- Scissors
- 1 roller bandage (3 inches wide)
- 1 roller bandage (4 inches wide)
- 5 sterile gauze pads (3 x 3 inches)
- 5 sterile gauze pads (4 x 4 inches)
- Oral thermometer (non-mercury/non-glass)
- 2 triangular bandages
- Tweezers
- First aid instruction booklet

Avoiding Heat Stress

The risk of heat stress is higher when the Humidex is over 30. Contributing factors include:

- Age (over 60 or less than 16);
- A low level of physical fitness;
- Pre-existing heart or lung disease;
- Medications that may be taken for certain medical conditions.

Rest periods and measures to ensure adequate hydration are essential. Water is an adequate fluid option *only* for activities lasting one hour or less. Participants in activities running longer require both carbohydrates and electrolytes, as well as water replacement.

The Championship Committee has developed guidelines aimed at reducing the risk of heat stress during club play, tournaments and district and provincial championships. These guidelines are intended to assist clubs and championship convenors. Clubs and districts may choose to establish their own policies.

- Rest periods between games should be a minimum of ½ hour; players should be encouraged to rest in the club house even if it is not air conditioned;
- Humidex readings of 35 to 42 or higher may require an adjustment to the format of play and length of games;
- If the humidex reading is higher than 42, cancellation and rescheduling of the event may be considered;
- If the Air Quality Health Index (AQHI) is forecast to be 6 or higher, convenors may recommend to players an alternate format or reduction in the number of ends played in each game;
- If one does not already exist, it is helpful for clubs to establish a suitable location with adequate air circulation.

Players are urged to bring their own drinks, containing small amounts of carbohydrate & electrolytes. All drinks should be cooler than the ambient temperature. Hats should be well-vented and have wide brims to protect the neck and ears. Sunscreen (at least SPF 30, with UV protection) is also important.

The Committee encourages each club to purchase a humidex metre in order to assess the risk of holding an event, or continuing if one is already underway.

Medical and Other Emergencies

The OLBA has developed guidelines to assist clubs and districts in determining their practices during emergency situations.

In situations where sudden changes in weather conditions produce significant storm activity (e.g. high winds and flying debris, driving rain, lightning), the general guidelines issued by local authorities should be followed. Play should be suspended immediately, players called off the green and shelter taken in the clubhouse or other safe location.

In cases where a call has been made for emergency medical assistance, the OLBA recommends that:

- Play be suspended immediately;
- All teams be required to clear the green;
- Once assistance has been given, Skips be informed of the situation;
- If it is the wish of the person affected, or her/his partner, that play continue, Skips be advised of this;
- The Event Convenor and Skips decide whether to continue play or declare the event complete.

Bill Boettger Volunteer of the Year (VOTY)

Every club across the province has volunteers that go above and beyond the call of duty. Most clubs or organizations can't function without these tremendous individuals. If your club has someone within it, who is deserving of the highest recognition that our sport has to offer, please forward a nomination and full details and a description of this special person to the immediate past president of OLBA. *Application forms are available on the OLBA website.*

Criteria for selection:

- Nominee must be a volunteer, not a paid administrator or a current OLBA Board member
- Accomplishment or contribution must be above and beyond the expectations of their position.
- Nominee must have made an identifiable and significant contribution to a specific Lawn Bowls project or program
- Accomplishment may be the culmination of projects or programs over an extended period of time.
- Nominee may be an outstanding volunteer at club level, etc.
- Assessment of the nominee will be made only on the information supplied with the Nomination form.

Nomination forms are to be completed and **submitted by November 30** to Phillip Francis (francis@olba.ca; or by mail at address in list of Board of Directors). The winner of the Volunteer of the Year Award is announced at the OLBA annual spring meeting. Winner of the VOTY receives a certificate of appreciation and a monetary prize.

The 2016 Earl Mayer Youth Bowler of the Year (BOTY)

- Bowlers 18 years or younger can earn valuable points at each sanctioned Youth Bowls Tournament across Ontario.
- The more you enter, the better your chances of being crowned "**Bowler of the Year**".
- If you attend all sanctioned Youth Bowls Tournaments, there is a bonus of 25 points towards your total.
- Points are available in both male and female divisions. Every participant receives one point for entering each sanctioned Youth tournament.
- The winner of the sanctioned tournament receives ten points, second place receives nine points, third place, eight points and so on down to tenth spot which gets 1 point.

The year-end award is a plaque.

Results of all sanctioned Youth events should be sent to Steve Schuknecht, OLBA Director of Youth schuknecht@olba.ca

District Chair
Annual Recognition Award

This Award has been launched to recognize the efforts of District Chairs to support and help to promote the membership drives of clubs in their respective districts. The award is given to the Chairperson in the District that has the greatest overall increase in membership each year.

The Award will be handed out at the OLBA Spring meeting. The plaque will be retained at the home club of the Chair of the winning District until the Fall OLBA general meeting.

Club Anniversaries

Congratulations to the following
OLBA clubs which are celebrating anniversaries
or have reached milestone years in 2017.

Cobourg - 110 years

Elora Rocks - 110 years

Georgetown - 110 years

Lambeth - 100 years

Whitby - 90 years

Beeton - 85 years

The OLBA presents special anniversary plaques to clubs celebrating anniversaries of 75 or more years.

Clubs celebrating anniversaries of fewer than 75 years will receive an anniversary certificate.

If your club is celebrating an anniversary this year or in 2018 please notify Laura Seed at awards@olba.ca.

The Bowler's Handbook

The Handbook contains all the information needed for instruction in the game. It is an ideal item to be included for beginners at the club level. Readers will be provided with a capsule history of the game, a run down of equipment required, the green playing surface, rules and play of the game along with bowling shots, basic signals and exercises specifically designed for bowlers. Experienced players will find the handbook a great, quick reference guide when information is needed on terminology, displaying proper etiquette on the green, or making the right shot for a situation.

This handbook is 45 pages long and can easily slip into your bowls bag.

Copies can be ordered from Bowls Canada ($3.00/copy + S&H for an order of fewer than 100 copies).

Need help with your Greens?

If you do, please contact:
Steve St.Pierre, Greens Chairperson
Charles Roach, Larry McLellan

My committee and I are ready to help you with your greens problems. We can send one of our committee members in to take a look and offer advice. It won't hurt to call.

The OLBA provincial marketing strategy is aimed at improving the image and expanding the public's awareness of lawn bowling. Attention is also given to increasing the number of young people participating in the game. The goal is to increase the overall number of bowlers in Ontario. To achieve this goal, marketing materials have been developed to support clubs in their efforts to attract, sign up, and retain new members.

Greens Thatcher Model: B-GT-27-H

The Bannerman greens Thatcher is designed to provide efficient vertical cutting and removal of dead plant material and other debris. Our blades are offset to prevent tracking of the cutting tips, eliminating ridging, which is particularly important for golf and lawn bowling greens where a uniform smooth surface is essential.

BANNERMAN

Bowls Pusher

Model No.: BP-1

The Bannerman Bowls Pusher is supplied with wood bumpers to protect against metal and sand particles scratching the bowls.

Bannerman/Lloyd's Paladin Greens Mower

Model No.: PALADIN

The Paladin self propelled mower gives the finest cut to the finest turf on bowling greens, playability is seriously affected by the finish of the turf which therefore demands the mowing excellence provided by the Paladin. Available in 21 inch cutting width with an option of 5, 9 or 11 bladed cutting cylinder. The transmission is the heart of the Paladins' performance, with independent clutches which have a unique system in preventing the machine from snatching on Atake off@, ensuring fine turf is not

Here's a real breakthrough in caring for your greens.

Air-Ject Aerator

Model No.: BA-4

This walk behind self-propelled aerator can be fitted with 1/2 inch coring tines (Spring & Fall aeration) or a slitter/slicer tine (Mid-season aeration with virtually no surface damage to completely control compaction).

CELEBRATE

National Bowls Day

June 3, 2017

Bowls Canada is promoting a national **Bowls Day in Canada** on **Saturday June 3rd, 2017**. This is an opportunity for Provincial Bowls Associations and affiliated clubs to encourage Canadians to check Lawn Bowls off their ParticipACTION 150 Play List by visiting their local bowls clubs on June 3rd. Events could include (but are not limited to):

- try-bowls events
- fund raisers
- social tournaments
- open houses

Bowls Canada Boulingrin will be coordinating a campaign to help clubs and provincial associations capitalize on this opportunity. Stay tuned for more details!

ParticipACTION has produced a series of resources to help community organizations participate in the 150 Play List. By registering your Bowls Day in Canada event or program you can opt-in to receive:

- Event Celebration Kit containing signage
- prizes
- possibly a feature on the ParticipACTION Tour Stops & Event Page

You may even qualify for a micro-grant to support your event. Micro-grants are available on a first-come-first-served basis, so sign up your event today!
